Nurture

The stimulating environment of our setting provides children opportunities to enjoy learning through play both indoors and outdoors.

At East Calder we promote creativity and provide children with opportunities to be imaginative and critical thinkers.

We strive to support our children to develop confidence and independence and develop a positive approach to learning through play.

Children learn to care for and respect themselves and others, to be sensitive to the needs and feelings of others.

We provide a happy, caring, warm and supportive atmosphere where children feel safe and can develop, play and learn.
